### Coronavirus

At the moment, the information we have received at school is just the same as it would be for general good hygiene and how to prevent germs spreading. We will remind the children to try to use tissues if they sneeze or cough and to regularly wash their hands thoroughly. Please support us by reinforcing this message at home too. If the local authority's advice changes, we will let you know.

### Scooters

Parents... Please remember that children are not allowed to ride their scooters in the playground.

Last Friday, children from SCSJ and ST Thomas' went to St. Paul's cathedral for the Candlemas service. Candlemas, also known as the Feast of the Presentation of Jesus Christ and the Feast of the Purification of the Blessed Virgin Mary, is a Christian Holy Day commemorating the presentation of Jesus at the Temple. It is based upon the account of the presentation of Jesus in Luke 2:22-40. The children were impeccably behaved and Tina and I were especially impressed with how the older children supported the younger members of the group, ensuring that they were feeling happy and safe on this very special trip. We also celebrated Candlemas in our collective worship session on Monday at school.

### Top Table

Year 2	Kezia
Year 3	Benjamin
Year 4	Alima
Year 5	Jayreen
Year 6	Winston

### Angel of the week: Eden Y5

Eden is a wonderful member of our school community who follows our Christian Values.

Eden shows excellence in all areas of her learning and is a very thoughtful, kind girl. Well done Eden, we are all so proud of you!

## Attendance and Punctuality (on time/late)

	Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Attendance	88.8%	97.2%	91.9%	92.6%	96.1%	94.8%	98.2%
Lates	5	2	8	1	1	9	6

Year 6 had the highest attendance this week with 98.2%. Well done Y6!

Well done to Years 3 & 4, with only 1 child late in each class this week.

## The Y6 maths challenge

What's 36% of 266?

Do you know what  $340 \times 0.2$  is?

Calculate  $\frac{2}{3}$  add  $\frac{4}{5}$ .

Try  $0.658 \times 24$

How about 29952 divided by 72

Miss Prideaux took a group of...children from Y5/6 to enter the borough's maths challenge - and it really was a challenge! They had all sorts of problems to solve during the afternoon, as well as some very difficult arithmetic questions like the ones above.

## Years 1 & 4 had trips to the Natural History and British Museum this week.
