Harvest donations

As Harvest time approaches, we are aware that for many families, times are even more challenging at the moment. With Father Gareth's help, this year we are making our food donations to the new food collection point within Notting Hill Methodist Church, near Grenfell Tower. Initially, we'd like donations from our parents to come to school during the last week of this half term; week beginning 19th October. From there, we will be able to distribute it out to the church, ready to be collected by those most in need in our local community.

Please remember, tinned, dried and non-perishable foods are the most useful.

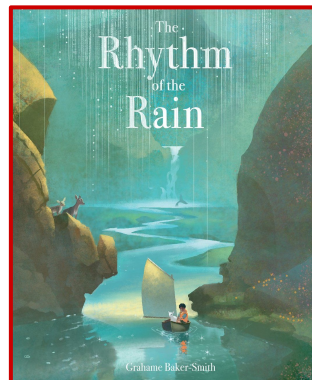

On Thursday 15 October PC Kallah from the Police service is coming in to talk to Years 5 & 6 about online safety and supporting each other in class.

Our Edible Playground is now complete!

Thank you to all the team at Trees for Cities. We can't wait to get planting!

Children in the Early Years Owlets Centre practise writing their names everyday!

The Collective Worship theme

This week was linked to harvest. We read the story 'The Rhythm of the Rain' by Graham Baker-Smith and thanked God for the rain so our crops can grow.

Google Classrooms will be up and running again next week for home learning. Hurrah!

There is a Google meet on Thursday 15 October at 7pm for **EYFS** parents.

Punctuality. Schools starts at 8.55am

Being punctual for school is absolutely crucial. Those arriving late miss such an important part of the day where the children settle, hear important messages and begin their reading lessons. Please do all you can to ensure your children are in the playground by 8:50am each morning.
